List of lynching victims in the United States - Wikipedia

This is a list of lynching victims in the United States. Lynching is the summary execution of one or more persons without due process of law by a group of people organized internally and not authorized by a legitimate government. Lynchers may claim to be issuing punishment for an alleged crime, however they are not a judicial body nor-deputized by one.

Quakers in North America - Wikipedia

Quakers (or Friends) are members of a Christian religious movement that started in England in the 17th century, and has spread throughout the United States, Mexico, and Central America. Some Quakers originally came to North America to spread their beliefs to the British colonists there, while others came to escape the persecution they experienced in Europe.
