Yellow Star-Jennifer Rozines Roy 2009-01 In 1939, the Germans invaded the town of Lodz, Poland, and moved the Jewish population into a small part of the city called a ghetto. As the war progressed, 270,000 people were forced to settle in the ghetto under impossible conditions. At the end of the war, there were 800 survivors. Of those who survived, only twelve were children. This is the story of Sylvia Perlmutter, one of the twelve.

Yellow Star, Red Star-Jelena Subotić 2019-12-15 Yellow Star, Red Star asks why Holocaust memory continues to be so deeply troubled—ignored, appropriated, and obfuscated—throughout Eastern Europe, even though it was in those lands that most of the extermination campaign occurred. As part of accession to the European Union, Jelena Subotić shows, East European states were required to adopt, participate in, and contribute to the established Western narrative of the Holocaust. This requirement created anxiety and resentment in post-communist states: Holocaust memory replaced communist terror as the dominant narrative in Eastern Europe, focusing instead on predominantly Jewish suffering in World War II. Influencing the European Union’s own memory politics and legislation in the process, post-communist states have attempted to reconcile these two memories by pursuing new strategies of Holocaust remembrance. The memory, symbols, and imagery of the Holocaust have been appropriated to represent crimes of communism. Yellow Star, Red Star presents in-depth accounts of Holocaust remembrance practices in Serbia, Croatia, and Lithuania, and extends the discussion to other East European states. The book demonstrates how countries of the region used Holocaust remembrance as a political strategy to resolve their contemporary “ontological insecurities”—insecurities about their identities, about their international status, and about their relationships with other international actors. As Subotić concludes, Holocaust memory in Eastern Europe has never been about the Holocaust or about the desire to remember the past, whether during communist or in its aftermath. Rather, it has been about managing national identities in a precarious and uncertain world.

The Yellow Star-Carmen Agra Deedy 2020-07-01 Carmen Agra Deedy’s award-winning retelling of a powerful World War II legend. Without the yellow star to point them out, the Jews looked like any other Danes. In 1940, Nazis occupied Denmark and King Christian X, beloved amongst his people, has to find some way to resist their overwhelming power. When the order goes out that all Jews must wear a yellow star on their clothes, the king has an idea that might just work. But it would take the faith and commitment of all Danes. In this retelling of a World War II legend, New York Times best-selling author Carmen Agra Deedy poignantly remind us of the power of a good, wise leader. Paired with Henri Sørensen’s arresting full-color portraits, this is a powerful and dignified story of heroic justice. Teacher’s Guide available! The Cat with the Yellow Star-Susan Goldman Rubin 2008-01-02 Ela Stein was eleven years old in February of 1942 when she was sent to the Terezin concentration camp with other Czech Jews. By the time she was liberated in 1945, she was fifteen. Somehow during those horrendous three-and-a-half years of sickness, terror, separation from loved ones, and loss, Ela managed to grow up. Although conditions were wretched, Ela forged lifelong friendships with other girls from Room 28 of her barracks. Adults working with the children tried their best to keep up the youngest prisoners’ spirits. A children’s opera called Brundibar was even performed, and Ela was chosen to play the pivotal role of the cat. Yet amidst all of this, the feared transports to death camps and death itself were a part of daily life. Full of sorrow, yet persistent in its belief that humans can triumph over evil; this unusual memoir tells the story of an unimaginable coming of age.

The Yellow Star-Aaron Seth 2016-07-21 What is life worth, when nothing is left? Young Aharon, no more than twelve, tells us his struggles during the Holocaust. Despite the atmosphere and religious differences, he was able to relive the Passover Seder with a gentle friend. How can a young boy subsist when he lost almost everyone he loved? Did he find solace through his friend’s words? Even though, the days were long and harsh Aharon gave strength when he had none left. Even though, the nights were dark and scary. Aharon gave hope when he had none left. Even though the days and nights turned into years of tears, Aharon gave courage when all else fails....

The Yellow Star House: The Remarkable Story of One Boy's Survival In a Protected House In Hungary-Paul V. Regelbrugge 2019-10-25 Between May 15 and July 9, 1944, over 440,000 Hungarian Jews were deported and, most were murdered at Auschwitz-Birkenau. The sole exception was the Jews in Budapest. In October 1944, Nazi Lieutenant Colonel Adolf Eichmann, with the eager assistance of the Hungarian fascist Arrow Cross party, initiated plans to finish off the Jews of Budapest even as the Soviet Red Army was rapidly advancing, and ultimately laid siege on Budapest in December 1944. This is the story of how one Jewish boy and 400 others were protected in a “yellow star house.” The house was converted into a hospital run by Jewish doctors designed to treat everyone — even their wounded enemies, free of charge. The Jewish residents were ultimately saved in this way by a man who posed as an Arrow Cross officer and risked his own life countless times while over 70,000 Jews were being murdered at the Danube or dying in ghettos. The Yellow Star House is a story of courage, family,

Yellow Star, Red Star

Agnes Kaposi 2020 Agnes Kaposi was born in Hungary the year before Hitler came to power and started school at the outbreak of World War II. The Holocaust killed many of her family, together with half a million Hungarian Jews, but a series of miracles and coincidences allowed her to survive. She worked as a child labourer in the agricultural and armament camps of Austria and was liberated by a rampaging Soviet army. Then her father, along with other able-bodied men, is arrested and sent to work digging ditches on the eastern front. The family's apartment is confiscated, and Marta, her brother, and her mother must share cramped space with her aunt and cousin. Food, warm clothing, and any kind of personal freedom have all but vanished. Jewish life becomes more and more confined as the old people, women, and children are forced into the ghetto. From there, the next step is the waiting cattle cars and the concentration camps. But Marta's family is lucky. They are numbered among those who could be saved by the efforts of Raoul Wallenberg. Among the few points of hope was this extraordinary Swedish diplomat. Raoul Wallenberg issued papers to thousands of Jews, declaring them to be Swedish citizens. Wallenberg was questioned by the Russians after the war and disappeared, possibly to die in Siberia. An international movement has been in place for decades to press Russia for news of his fate. Although details of his death remain a mystery, he has come to represent courage and justice in the face of great evil.

The Yellow Star: The Moving Narrative Of A Boy Who Survived Auschwitz And Buchenwald [Illustrated Edition]

S. B. Unsdorfer 2015-11-06 Includes 204 photos, plans and maps illustrating The Holocaust. Simcha Bunem Unsdorfer was the son of a well-known rabbi in Bratislava, the mother community for the Jewish population of Czechoslovakia. Because of the importance of his father's position, the family was permitted to remain in the city during World War II, although, eventually, the family was deported to the infamous camps of Auschwitz where the Unsdorfers were separated and the parents killed. Their nineteen-year-old son Simcha was transferred from Auschwitz to work in an airplane factory in the Buchenwald camp. Through his long and terrible ordeal, he and his fellow prisoners were mercilessly molested by the S.S. men, but they held on to life tenaciously, their faith in God and His Torah never wavering. When the war finally ended, workers and prisoners were freed and permitted to go home. Home! Home! cried the Czechs, dancing and kissing in mad jubilation. We, the Jews, sank down on the floor again... Home Home What a travesty. Home a place that no longer was, and never would be again. Free...What were we freed for? Only to mourn and lament for the rest of our days over the greatest tragedy that had ever befallen our people in our long and trying history. Simcha Bunem Unsdorfer has written a deeply moving account of his experiences as a devout Jew in the concentration camps and factories of the Nazi Reich. The Yellow Star is a painful story, but a heroic one, a book which cogently describes the Divine strength inherent in the Jewish soul.

With a Yellow Star and a Red Cross

Arnold Mostowicz 2005 Described by the book's Polish publisher as a literary take on the author's experience in the Lodz ghetto and the Nazi concentration camps. Arnold Mostowicz, a Polish Jew was a doctor in the Lodz ghetto and intermittently in the camps. He was a witness to and participant in situations that have received little attention. The book contains a unique account of a worker demonstration in 1940, and a description of the Gypsy camp that the Nazis had created on the edge of the Lodz ghetto. It also gives an analysis of how the antagonism between the Lodz Jews and the German and Czech Jews, deported to the ghetto, played itself out in everyday life.

The Yellow Star That Wasn't

Cami Ann Green 2020-11-24 The Yellow Star That Wasn't: Scandinavia, Miami, and Me takes the reader from the author's childhood as a Swedish Protestant girl in war-torn Finland to Miami, where, faced with a stream of questions about the Jews in Scandinavia, she discovers that she had to leave home to find a home. Interspersing stories and historical facts about the wartime Jews in Scandinavia, the book is a combination of memoir and history, much of it evolved from the interest expressed by listeners at her ongoing speaking engagements.

**Hiding Abigail** - Brendan Mac an Mhaoir 2018-04-12  
It is January 1942 and ten year old German boy Deiter can’t understand how with all the efforts by the Fuhrer and the soldiers to make his country great again, why does everything just seem to be getting worse? In only seven days his whole world falls apart as he waits for the evacuations to happen and bring Abigail the girl with the yellow star and everyone he loves to the countryside which he believes to be just like heaven. The world and the war through the eyes of innocence. Brendan Mac an Mhaoir’s first novel “Hiding Abigail” was inspired by stories from his father’s youth, where his father’s best friend was an orphaned German boy named Dieter. The story follows seven days in the life of Dieter from Bilker street, Dusseldorf in the winter of 1942 where with all that seems to be going wrong in his life, he seems not to understand or just ignore what’s happening and daydream of a better future in the countryside with his family and Abigail. The girl with the yellow star. An extremely enjoyable coming of age wartime story suitable for all ages. PRAISE. Sweet book. I really enjoyed this. Sweet yet Sad Book, it was well written too. Everyone should read so History never ever repeats itself anywhere. Terri Leigh Farmer Amazon.com Beautiful story to remember This story touched my heart. Elaboration will only dilute my feelings. I hope many will read it and appreciate this author’s writing, sad but beautiful. Manisha Mukherjee Amanzon.in Hearing and sad tale of a ten year old German boy during World War Two who is just trying to make sense of the world he lives in. I enjoyed this book from start to finish and felt as if I really got to know Deiter the main character very well and couldn’t wait to get back to reading this Novel every time I left it down. The book left me asking questions at the end as to what exactly happened to Abigail. I love when a book or Movie does this and it leaves you to figure it out for yourself what you think actually happened. The book flows from start to finish with the story of seven days in the life of Deiter. With some very funny memories thrown in too of his life in better times. Really worth a read as it is a beautiful haunting story and very well written too. Brenda York Goodreads The book is charming, sad and in the end poignant evocative and haunting. An easy to read but nicely written book about a young boy during World War two. The book starts out at the end and we hear the story told through the eyes of Deiter as he goes through seven days of his life. Seven days of events that are all very strange to him which start out with stories and memories of better times. Stories of his family and the girl from next door. Once I started to read this book I found it easy to read and enjoyable from start to finish. Once I started I couldn’t leave it down and found I could relate in many ways to the main character and found him to be a very credible ten year old boy which isn’t always the case in many books. I love the sequencing of the book and it turns out that they are in fact true like the appearance of Adolf Hitler on that very date at the sports palace in Berlin and the deportations from Dusseldorf freight station. Even the songs that were sang are real and the mention of the Bunkerkirche which was also built during the war. A book of fiction but true to real life events. Dan Young Goodreads Enjoy and please feel free to review Hiding Abigail. The girl with the yellow star. Where the stories began. My father was born in the 1930’s. It was during the 1940’s when he sat in class beside a German boy named Deiter. Deiter was a long way from home and the war had not long ended, both boys had one thing in common, they were both very poor. They sat together with nothing to share and their stories.

From Yellow Star to Pop Star - Dorit Oliver-Wolff 2015-05-28 “When Dorit Oliver was just four years old she sang and danced in front of the future king of Yugoslavia. By six years old she was in hiding from the German soldiers who were rounding up and transporting her fellow Jews to concentration camps around Europe. Years of terror follow, with narrow escapes from capture and bombing raids plus betrayals by those she thought were her friends until, at last, she and her mother are rescued from the basement flat in which they are hiding. Singing helps her survive those dark days. But the Holocaust is only part of Dorit’s amazing story. After the war, stateless and without papers, she joins a touring dance troupe in order to be permitted to travel. She studies by day and sings and dances in seedy clubs by night until a talent scout spots her ... and then her story really begins. Tender, moving and inspirational, Dorit’s remarkable story moves the reader through fear and horror, to freedom and joy and shows how the bravery and fortitude of one little Jewish girl helped her survive the Holocaust and become a star.” - Publisher’s description.
