How The Beatles Changed The World

There is no question that the Beatles changed the world. How did they do this? And why did they do it? This book explores the profound impact of the Beatles on music, culture, and society, and examines the reasons why their influence endures to this day.

The Beatles: The Complete Story

The Beatles: The Complete Story is a comprehensive overview of the band's career, from their early days in Liverpool to their final break-up in 1970. It includes detailed bios of all four band members, as well as chapters on the band's music, touring, and recording sessions. The book also explores the role of the Beatles in shaping the cultural landscape of the 1960s.

The Beatles: The Biography

The Beatles: The Biography is the definitive account of the band's history, written by bestselling author Bob Spitz. Based on extensive research and interviews with band members and other key figures, the book provides a detailed look at the Beatles' rise to fame, their relationships with each other, and the challenges they faced along the way.

The Beatles: The Making of a Cultural Revolution

The Beatles: The Making of a Cultural Revolution explores the economic factors that contributed to the band's success, as well as the role of the Beatles in shaping the cultural landscape of the 1960s. The book examines the relationship between the Beatles' music and the larger economic context of the time, and how this relationship helped to create a cultural revolution.

The Beatles: The Business

The Beatles: The Business is a detailed account of the band's business affairs, from their early days in Liverpool to their final break-up. It includes chapters on the band's recording contracts, touring deals, and other business arrangements, as well as interviews with key figures in the music industry.

The Beatles: The Complete Recordings

The Beatles: The Complete Recordings is a comprehensive look at the band's entire recording career, from their debut album to their final singles. It includes detailed analyses of each album and single, as well as interviews with the band members and other key figures.

The Beatles: The Illustrated Biography

The Beatles: The Illustrated Biography is a visual history of the band, featuring hundreds of photographs and illustrations. It includes detailed bios of all four band members, as well as chapters on the band's music, touring, and recording sessions. The book also explores the role of the Beatles in shaping the cultural landscape of the 1960s.

The Beatles: The Encyclopedia

The Beatles: The Encyclopedia is a comprehensive reference guide to the band's music, history, and culture. It includes detailed entries on each album and single, as well as interviews with band members and other key figures. The book also explores the role of the Beatles in shaping the cultural landscape of the 1960s.

The Beatles: The Unauthorised Biography

The Beatles: The Unauthorised Biography is a critical look at the band's career, written by bestselling author Mark Lewisohn. Based on extensive research and interviews with band members and other key figures, the book provides a detailed look at the Beatles' rise to fame, their relationships with each other, and the challenges they faced along the way.

The Beatles: The Complete Guide

The Beatles: The Complete Guide is a comprehensive overview of the band's career, from their early days in Liverpool to their final break-up in 1970. It includes detailed bios of all four band members, as well as chapters on the band's music, touring, and recording sessions. The book also explores the role of the Beatles in shaping the cultural landscape of the 1960s.
How the Beatles Destroyed Rock ‘n’ Roll

How the Beatles Destroyed Rock ‘n’ Roll is an alternative history of American music that, instead of recycling the familiar cliches of jazz and rock, looks at what people were playing, hearing and dancing to over the course of the 20th century, using a wealth of original research, exotic quotations, and an irreverent fascination with the oft-despised commercial mainstream.

Please Please Me

Please Please Me by Gordon Thompson, published in 2008, is a detailed study of the Beatles' first album, which was released in 1963. The book explores the creative process behind the album, the musical influences, and the socio-cultural context of the time. It provides insights into the development of the Beatles' music and its impact on the music industry.

The Beatles Extraordinary Plagiarists

The Beatles Extraordinary Plagiarists, by MR Edgar O. Cruz, published in 2012, is a book that delves into the origins of the Beatles' songs. It challenges the popular belief that the Beatles were original composers and instead argues that they were more than likely enthusiasts of African-American music. The book presents a detailed examination of the Beatles' songwriting and production processes, highlighting the influence of black music on the band's work.

The Beatles Were Fab (and They Were Funny)

The Beatles Were Fab (and They Were Funny) by Kathleen Krull, published in 2013, is a humorous and engaging book that chronicles the legendary band's rise to prominence and highlights the humor of each member.

The Gospel According to the Beatles

The Gospel According to the Beatles, by Steve Turner, published in 2006, explores the spiritual journey of the Beatles from fun-loving agnostics to drug-inspired mystics. It delves into the religious and spiritual themes that permeated their music and how these themes were influenced by their personal experiences and the cultural climate of the time.

The Beatles: 1964

The Beatles: 1964, by Ben Nussbaum, published in 2014, is a celebration of America's ongoing love affair with the Beatles. It chronicles the band's rise to fame in 1964, including their performance on The Ed Sullivan Show, and examines their impact on the music industry. The book also documents the band's early tours, the creation of their music, and the influence of their sound on subsequent music genres.
