Grammar for Middle School: A Sentence-Composing Approach gives your students the chance to absorb and replicate the grammatical structures used by some of the best writers of our times. Finally, a creative writing activity immerses students in the composition or revision of
a paragraph through independent use of the sentence-composing tools they have already learned. Best of all, after each section, review activities - which can be easily graded as unit or final tests - offer opportunities for students to bring it all together and build better sentences. An accompanies Grammar for Middle School and includes advice, tips, resources, answer keys, and even curricular plans for teachers who are either new to the Killgallon approach or sentence-composing veterans.
