
Three approaches to questions about the theological connection between the Old and New Testaments. The relationship between the Testaments is not as simple and straightforward as it sometimes appears. When New Testament authors appeal to Old Testament texts to support their arguments, what is the relationship between their meanings and what was originally intended by their Old Testament forebears? Leading biblical scholars Walter Kaiser, Darrel Bock, and Peter Enns present their answers to...
questions about the use of the Old Testament in the New Testament, addressing elements such as: Divine and human authorial intent. Context of passages. Historical and cultural considerations. The theological grounds for different interpretive methods. Each author applies his framework to specific texts so that readers can see how their methods work out in practice. Each contributor also receives a thorough critique from the other two authors. Three Views on the New Testament Use of Old Testament gives readers the tools they need to develop their own views on the meaning, contexts, and goals behind the New Testament citations of the Old. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.

New Testament Survey Merrill C. Tenney 2017-09-26 First published in 1953 and revised in 1961, Merrill Tenney's comprehensive survey has served to introduce the general reader, student, and teacher to the world and message of the New Testament. Written in a clear, nontechnical style, New Testament Survey begins with a survey of the social, political, economic, and religious background of the New Testament, and then goes on to examine the various groups of New Testament books, which are considered in their historical settings. The book concludes with a penetrating study of the New Testament canon. Undertaken at the request of Dr. Tenney, and prepared with his full approval, this 1985 revision by Walter M. Dunnett includes an entirely new chapter on the Jewish background of the New Testament, plus several new short sections, including materials on the Gospels and the canon of the New Testament. The bibliography has been enlarged and updated, and many of the book's numerous
illustrations, maps, and charts are new. Great care has been exercised to retain the spirit and quality of the original work, ensuring that the book will remain a standard in the years to come.

Zondervan Bible Dictionary  
J. D. Douglas  
2009-08-30  
Who were the Pharisees? What did Samson and John the Baptist have in common? Does an altar really have "horns?" Turn to the Zondervan Bible Dictionary and find out. It has the answers to these and hundreds of other questions you're likely to wonder about as you read the Bible. Condensed from the New International Bible Dictionary, this unique volume actually offers three books in one: • A Dictionary—for easy-to-find, practical information on thousands of topics • A Topical Index—for detailed study of nearly 150 larger topics, listing all articles in the dictionary that relate to a given topic • A Survey—providing an introductory overview of the Bible, biblical history, and biblical culture. Concise, readable, and informative, the Zondervan Bible Dictionary is ideal for use at home, in study groups, and in schools. It will help you clear up the who, what, where, why, and how of the Bible so you can better appreciate the depth of its wisdom and its relevance for you today.

Nelson's New Illustrated Bible Manners and Customs  
Howard Vos  
1999-05-13  
Discover how the people of the Bible really lived. Imagine being able to walk the streets of Abraham’s hometown, adjust to life in Babylonian captivity, or travel the roads of Palestine amid the latest buzz about Jesus from Nazareth. Nelson’s New Illustrated Bible Manners & Customs paints an accurate and descriptive picture of ancient civilization throughout the ages. In twenty historical segments, Howard F. Vos tells the story of God’s people from Abraham to the end of the New Testament in biblical order. Unlike other books about Bible lands and cultures, this volume distinguishes the ways life differed from period to period and place to place.
following topics are covered in each segment: Geography and climate Government, religion, and warfare Housing, family, and dress Diet and agriculture Education and work Travel and commerce Complete with over 400 photographs, extensive bibliographies, and easy-to-understand language, Nelson’s New Illustrated Bible Manners & Customs is the go-to guide for studying the customs, manners, and lives of the people of the Bible.

The Zondervan Encyclopedia of the Bible
Merrill Chapin Tenney 2009-01-01 Now thoroughly revised, this five-volume edition provides up-to-date entries based on the latest scholarship. Full-color pictures supplement the text, which includes new articles in addition to thorough updates and improvements of existing topics. Different viewpoints of scholarship permit a well-rounded perspective on issues relating to doctrines, themes, and biblical interpretation. Includes more than 5,000 pages of vital information on Bible lands and people, more than 7,500 articles alphabetically arranged for easy reference; hundreds of full-color and black-and-white illustrations, charts, and graphs; 32 pages of full-color maps and hundreds of black-and-white outline maps for ready reference; and scholarly articles ranging across the entire spectrum of theological and biblical topics. --From publisher's description.

Old Testament Times R. K. Harrison 2005-08-01 Recent years have seen a renewed interest in the study of background materials relating to Scripture. More and more Christians are seeking out resources that will help them understand the culture of the times when the Bible was written. Indeed, to fully understand the Old Testament, one must first understand the social, historical, and political forces that affected its writers. Old Testament Times explores and explains the characters and events of the Old Testament in historical perspective. Being released for the first time in a full-color edition, this guide includes - thirty-two maps -
Pastors, small groups, and anyone wishing for a better understanding of biblical times will find an excellent tool in this comprehensive handbook written by one of America's foremost biblical scholars.

Living By the Book Howard G. Hendricks 2007-05-01 For every person who draws strength and direction from the Bible, there are many more who struggle with it. Some call it a long book with fine print and obscure meaning. Some call it a mystery, a chore to read, or an undecipherable puzzle. The good news is you can easily solve this problem. With over 300,000 sold, this revised and expanded edition of Living by the Book will remove the barriers that keep Scripture from transforming your life. In a simple, step-by-step fashion, the authors explain how to glean truth from Scripture. It is practical, readable, and applicable. By following its easy-to-apply principles, you'll soon find yourself drawing great nourishment from the Word—and enjoying the process! The Living by the Book Workbook is the perfect compliment to provide practical application of lessons.

Introducing the New Testament Mark Allan Powell 2018-05-15 This lively, engaging introduction to the New Testament is critical yet faith-friendly, lavishly illustrated, and accompanied by a variety of pedagogical aids, including sidebars, maps, tables, charts, diagrams, and suggestions for further reading. The full-color interior features art from around the world that illustrates the New Testament's impact on history and culture. The first edition has been well received (over 60,000 copies sold). This new edition has been thoroughly revised in response to professor feedback and features an updated interior design. It offers expanded coverage of the New Testament world in a new chapter on Jewish backgrounds, features dozens of new works of fine art from around the world, and provides extensive new online material for students and professors available through Baker...

NIV Compact Dictionary of the Bible J. D. Douglas 1999-01 This unique volume offers much more than its convenient, compact size -- a dictionary, a topical index, and a survey.

Encountering the Old Testament Bill T. Arnold 2015-08-18 This new edition of a bestselling evangelical survey of the Old Testament (over 180,000 copies sold) has been thoroughly updated and features a beautiful new interior design. It is lavishly illustrated with four-color images, maps, and charts and retains the pedagogical features that have made the book so popular:

- chapter outlines, objectives, and summaries
- study questions
- sidebars featuring primary source material, ethical and theological issues, and contemporary applications
- lists of key terms, people, and places
- further reading recommendations
- endnotes and indexes

The book is supplemented by web-based resources through Baker Academic's Textbook eSources, offering course help for professors and study aids for students.

Ethics for Christian Ministry Joe E. Trull 2017-11-01 This one-of-a-kind resource in professional ethics helps today's Christian leaders maintain a high moral character and lifestyle and sharpen their personal and professional decision-making skills. Two experienced teachers and pastors address both current and perennial ethical issues and offer guidance for developing a personal code of ethics to maintain integrity in the work of ministry. The authors address the nature of...
ethical decision making as well as practical areas where integrity can be compromised, including issues raised by the use of smartphones and social media. Appendixes include codes of ethics from various denominations.

The Reality of the Resurrection

Merrill C (Merrill Chapin) Tenney 2021-09-09

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**AMG's Encyclopedia of Bible Facts**

Mark Water 2004

An ultimate one-volume Bible encyclopedia is loaded with charts, information and more than 100,000 Bible facts.

**A Concise Bible Survey**

Christopher B. Cone 2012-08-11

A Concise Bible Survey: Tracing the Promises of God surveys the entire Bible with a chronological focus and visual learning style in mind. Studying the books of the Bible in chronological order helps readers see and understand how God is working throughout history, and how the promises of God provide the central narrative thread connecting all the Biblical books. A Concise Bible Survey outlines in graphic chart form every book of the Bible, and illustrates how groupings of books fit together. Since the first edition was published in
2005, it has been enjoyed by students of all ages - from the seminary classroom to the living room. The simplicity and detail of A Concise Bible Survey make it a beneficial study for anyone wishing to understand the Bible better. **Reading Between the Lines** S. D. Lyle 2019-02-05 It is no small thing to read the greatest book ever written, for we are left with more questions than answers. It is a spiritual book, full of symbolism, a book of dreams and visions, of signs and wonders, where everything has two meanings. We will attempt to shed some light on many perplexing questions. **A Harmony of the Words and Works of Jesus Christ** J. Dwight Pentecost 2016-09-06 The goal of this volume is to help you know Jesus better by getting a clearer picture of him through the four Gospels—the books that directly depict his life, his ministry, and his heart. Scripture is set with Scripture in chronological order, revealing the harmony of the biblical accounts and bringing the person of Jesus into greater focus. Featuring harmonized Bible texts from the New International Version, this book first introduces and then follows the identical outline of the life of Christ used in The Words and Works of Jesus Christ by J. Dwight Pentecost. This simple, logical presentation of the complete parallel text with the outline greatly simplifies your study of Christ's life. A Harmony of the Words and Works of Jesus Christ is ideal for use with The Words and Works of Jesus Christ and makes an outstanding parallel Scripture text for any study of the Gospels or the life of Christ. **Interpreting Revelation** Merrill C. Tenney 1988 "Interpreting Revelation" is a sane, thorough, scholarly, and sensible approach to studying and understanding the book of Revelation. It provides the reader with clear insights into the various methods of interpreting this last book of the Bible. No matter what approach you take to the book of Revelation" futurist or preterist, premillennial or amillennial" you will find enlightenment as you have opportunity to peruse.
a variety of other approaches to understanding this somewhat mysterious apocalyptic book. **Jesus and the Gospels** Craig L. Blomberg 2009-08-01 This second edition of Jesus and the Gospels prepares readers for an intensive study of Matthew, Mark, Luke, John, and the events they narrate. Craig Blomberg considers the historical context of the Gospels and sheds light on the confusing interpretations brought forth over the last two centuries. The original 1997 book won a Gold Medallion Award from the Evangelical Christian Publishers Association, and this updated version, factoring in new scholarship, debate, critical methods, and the ongoing quest of the historical Jesus, ensures the work will remain a top tool for exploring the life of Christ through the first four books of the New Testament.

**Introducing the New Testament** D. A. Carson 2013-03-05 Abridgement of An Introduction to the Old Testament. This abridged edition of an established major textbook brings the best of New Testament scholarship to the church and makes it accessible to the average reader. This book focuses on historical questions dealing with authorship, date, sources, purpose, and destination of the New Testament books. By focusing on the essentials, the authors ensure that each book is accurately understood within its historical settings. For each New Testament document, the authors also provide a summary of that book’s content and discuss the book’s theological contribution to the overall canon. This abridgement includes questions at the end of each chapter to facilitate group discussion and personal review. It will help a new generation of students and church leaders better grasp the message of the New Testament.
How to Create and Present High-Impact Bible Studies Elmer L. Towns 1998-01-01 Intended especially for devotional leaders and Sunday School teachers, this complete guide will help you integrate the message of the Scriptures into your own life so that you can effectively teach the good news to others.

Getting the Word Across G. Robert Jacks 1995-09-21 This volume gives pastors and worship leaders practical lessons in disciplined, interpretive speech that will enhance the living quality of Scripture for listeners today. Among other subjects, Jacks discusses phrasing, emphasis, imagery, vocal gesture, pronunciation, articulation, and vocal control.

New Testament Survey Merrill C. Tenney 1985-08-28 Provides historical background information about the politics, social conditions, and economy of the Holy Land, examines the meaning of the New Testament, and traces the history of the early Christian Church

Popular Survey of the Old Testament, A Dr. Norman Geisler 2007-09-01 The world of the Old Testament can seem hard to understand, especially for people living in times and places so far removed from the ancient Middle East. It's not just that we wear different clothes and hold different jobs--people in the West just don't have the same history, the same culture, or the same way of thinking as Old Testament characters like Abraham and David. And this disconnect can make studying the Old Testament an arduous and confusing process. A Popular Survey of the Old Testament is designed to help regular Christians enrich their understanding of Old Testament people and events. Illustrated throughout with color photos, charts, and maps, and written in an easy, informal style, this survey is accessible and enjoyable to Christians of all backgrounds.

new covenant.

**Crucial Questions about the Kingdom of God**

George E. Ladd 1952-01-01 In Crucial Questions About the Kingdom of God, George Eldon Ladd brings to the modern student of eschatology both an up-to-date survey of the literature of the kingdom of God and a fruitful discussion of some of the more crucial problems facing this concept which lie at the root of the controversies over this central theological subject. Rather than uncritically repeating the old inherited positions, Ladd makes a thorough and independent study oriented to the entire stream of biblical interpretation, and presents here the conclusions he feels the biblical data requires. Including the important literature on the subject in the French, German, and English, the author treats briefly the eschatological interpretations of the ancient, medieval, and modern writers. The section focusing on modern interpreters covers the formulations since Schweitzer and concludes with the modern search for a synthesis of the kingdom as futuristic and as a present reality. Feeling the biblical evidence requires a premillennial interpretation of the concept of the Kingdom of God, Ladd's own exegesis of the futurity and presence of the kingdom and of a millennial interregnum represents an informed and critical premillennialism. He presents these formulations over against the popular dispensational form of the chiliastic position and against the amillennial position whose criticism of premillennialism, the author says, is limited to only its special dispensational form. "The book is thoroughly documented . . . and opens a way for a new positive presentation of eschatological truth. Pastors and teachers will find it valuable as an aid to orienting their thinking in the field of eschatology." - Merrill C. Tenney Wheaton College. George Eldon Ladd (1911-1982) was professor of New Testament exegesis and theology at Fuller Theological Seminary, Pasadena, California. His numerous books

**A Mind for what Matters** Frederick Fyvie Bruce 1990 Anybody who has published more than forty books and nearly 2,000 articles and who has been called "the greatest evangelical scholar of our time" is a figure to be reckoned with. Such is F. F. Bruce, who towers like a giant over the field of contemporary biblical scholarship.

**Voice, Word, and Spirit** Brian Neil Peterson 2017-02-21 Pentecostalism is a movement that, in a little over a century, has encircled the globe and, either directly or indirectly, has impacted and influenced every quarter of Christendom. At its heart the movement bears witness to a contemporary experience of divine-human encounter in line with the prophetic claims of the Old Testament and the Pentecost testimony of the New—indeed an encounter with the power/the presence/the Spirit of God that is radically transformative enough, at both personal and corporate levels, to evoke a new way of seeing the world and, with it, a new way of reading the Word. In the post-modern situation that has forced all of us to a greater awareness of the contextual particularities of how we see and read things, with all of the limitation and the illumination that this can entail, it is time for offering a survey of Scripture, and the Old Testament in particular, that speaks both from and to the manifold global context of Pentecostal faith and practice. Here the authors are deft guides, affirming the integration of academic scholarship and charismatic spirituality. They present thoughtful readers with an overview of the Old Testament that is explicitly engaged with the faith and practice of the Pentecostal movement and the recent scholarship that has been generated by this contemporary, global, Christian movement, especially as it bears upon biblical interpretation. They invite readers to approach
scripture reading with the expectation of being encountered and addressed by a Living Voice, flipping the primary goal of biblical study from ‘us interpreting Scripture’ to ‘Scripture reading and interpreting us.’ In addition to treating each Old Testament book individually, this textbook offers a brief chapter-length introduction to each of the four major book collections, as standardized in the Protestant Bible’s arrangement of Old Testament Scriptures: 1) Pentateuch; 2) Historical Books; 3) Poetical Books; and 4) Prophets.

New Testament Survey Robert G. Gromacki 2008-08-01 Before coming to grips with an individual verse or passage in the New Testament, Bible students and expositors must understand how it relates to the theme of the book. This nontechnical survey offers readers a working understanding of the New Testament by providing the theological tools necessary to synthesize biblical passages into themes. It incorporates historical and cultural backgrounds without becoming a book on manners and customs and deals with the actual text of Scripture without becoming a verse-by-verse commentary. Pictures, charts, and outlines aid comprehension. This classic text, which has served students well for many years, is now available in paperback.

The New Testament Merrill C. Tenney 1953

An Historical Survey of the Old Testament Eugene H. Merrill 1992-01-01 Merrill has extensively updated this popular-level Old Testament history to discuss updates in archaeology and textual understanding. It is also more current as a defense of the Bible’s accuracy.

Evidence Unseen James Rochford 2013-05-20 Evidence Unseen is the most accessible and...
careful though through response to most current attacks against the Christian worldview. **New Testament Survey** Merrill Chapin Tenney 1961-12 The New International Dictionary of the Bible James Dixon Douglas 1987 The New International Dictionary of the Bible is the first Bible dictionary based entirely on the New International Version of the Bible. **A Survey of the New Testament** Robert H. Gundry 2009-08-01 The 4th edition of this widely used guide to reading and interpreting the New Testament This revised edition of Gundry's survey of the New Testament goes beyond providing background information and technical introductory material and leads students to read the New Testament itself. Whenever possible general questions of introduction and background are tied to assigned readings covering the entire New Testament. In addition, comments on these readings help students with interpretation and follow the flow of thought from one passage to another. Features include: * New design with four-color format and more photos and improved maps * Chapters begin with list, of study goals and end with summary, overview and of people, places, terms to remember, and review questions * Outlines, section headings, subheadings, and bolded items make it easy to follow structure of discussion * Phonetic pronunciations for unfamiliar names and terms * Breakouts with illustrative quotes from ancient, nonbiblical literature * Discussion questions on the contemporary relevance of the New Testament * Updated bibliographies * Conservative evangelical theological perspective also notes other positions and literature **Jesus Behaving Badly** Mark L. Strauss 2015-10-25 Everybody likes Jesus. Don't they? We overlook that Jesus was Judgmental—preaching hellfire far more than the apostle Paul Uncompromising—telling people to hate their families Chauvinistic—excluding women from leadership
Racist—insulting people from other ethnic groups
Anti-environmental—cursing a fig tree and affirming animal sacrifice
Angry—overturning tables and chasing moneychangers in the temple
He demanded moral perfection, told people to cut off body parts, made prophecies that haven't come true, and defied religious and political authorities.
While we tend to ignore this troubling behavior, the people around Jesus didn't. Some believed him so dangerous that they found a way to have him killed. The Jesus everybody likes, says Mark Strauss, is not the Jesus found in the Gospels. He's a figure we've created in our own minds. Strauss believes that when we unpack the puzzling paradoxes of the man from Galilee, we find greater insight into his countercultural message and mission than we could ever have imagined.

*Introducción al Nuevo Testamento* AETH Aquiles E. Martinez 2006-06-01 El Estudiante avanzado del Nuevo Testamento podrá encontrar en esta introducción un análisis sobrio del estado actual de la disciplina, y los pastores y pastoras, al igual que los maestros y maestras de escuela bíblica—descubrirán en sus páginas buenas ideas para elaborar estudios que ayuden a las congregaciones a entender y disfrutar la importante literatura bíblica veterotestamentaria. Written in Spanish, this work highlights the importance of understanding the New Testament, broadly defining it in a simple, yet organized, concrete manner.

Martinez investigates the contents, purpose and context of each book of the New Testament, explaining how they became part of the canon and exploring the realities of geography, history, politics, economics, culture, philosophy, and religion in biblical times. The book includes other helpful suggestions for examining the New Testament and is ideal for classroom or personal study.
