History of alcoholic drinks - Wikipedia
Pulque, or ocltl is an alcoholic beverage made from the fermented juice of the maguey, and is a traditional native beverage of Mesoamerica. Though commonly believed to be a beer, the main carbohydrate is a complex form of fructose rather than starch. Pulque is depicted in Native American stone carvings from as early as AD 200. The origin of pulque is unknown, but because it has a major

Rusians in Open Revolt as National - anti-empire.com
Nov 04, 2021 · It happened gradually, then suddenly: all 85 federal subjects of Russia now have compulsory vaccination policies, as well as rules requiring QR codes for entry to certain businesses and institutions. Russia is also currently enjoying a “non-working week” (for Moscow and many other cities, this is a soothing euphemism for “lockdown”) which many believe could be extended indefinitely.

Judah. According to the Hebrew Bible, all the tribes were part of a unified kingdom under David and Solomon, but the northern kingdom under Jeroboam I rebelled after Solomon’s death (probably sometime in the late 10th century B.C.E.), establishing their independence.
