Timeline of ancient history - Wikipedia
Classical antiquity is a broad term for a long period of cultural history centered on the Mediterranean Sea, comprising the interlocking civilizations of Ancient Greece and Ancient Rome. It refers to the timeframe of Ancient Greece and Ancient Rome. Ancient history includes the recorded Greek history beginning in about 776 BCE (First Olympiad). This coincides roughly with the traditional date.

The goal of Ancient Origins is to highlight recent archaeological discoveries, peer-reviewed academic research and evidence, as well as offering alternative viewpoints and explanations of science, archaeology, mythology, religion and history around the globe.
