Proof of Life - Kimberly Rae Jordan 2016-06-20 Ever since leaving the military, Alexander Thorpe has devoted his life to BlackThorpe Security, the company he founded with his best friend, Marcus Black. When his past unexpectedly comes knocking, Alex struggles to shift his priorities and open his life-and heart-to someone he didn't even know existed. Rebecca Mackenzie thought she had a very valid reason for keeping her son from his father, but when her secret is revealed, she must face the past she ran away from fifteen years ago. Will Alex be able to surrender his need for control and take on the challenging role of fatherhood? Or will his regret and guilt drive away the two people he needs most in his life? Rebecca wants to hate the man who broke her heart, but she instead finds herself drawn to him. Will she be able to open her heart to Alex once again or will fear keep it safely locked away? As Alex and Rebecca struggle to deal with their unresolved past and the feelings that have once again risen between them, the search for Alana continues, leaving those involved grasping at straws.

Scam Proof Your Life in the End Times - Steve Cioccolanti 2021-04-12 Scams come in all sizes. Some are schoolyard scams by teenage bullies. Others are hedge-fund sized scams like Bernie Madoff's Ponzi scheme. In our new digital age, there are scams involving e-commerce, ransomware online job interviews, bitcoin mining and cryptocurrency robberies. The list goes on and on. Scammers can target anyone, but especially trusting people like Christians. That's why Jesus told Christians to be wise as serpents and harmless as doves (Matthew 10:16). By the time a scam is discovered, oftentimes the damage is done and hard to reverse. To sue for recovery in court may cost you an arm and a leg in stress and legal fees. To expect the government to fix your scam may take a very long time. Meanwhile, you've been hit. What can you do? There is something that you can do if you're a child of God. You just may not know it yet. In this book, you will learn the steps to take both spiritually and naturally to find peace and justice once you've been scammed. You will also be equipped with practical ways to avoid the most common scams so you do not have to become a victim. If there is one thing most needed in the Body of Christ, it is wisdom. This book will make the law-abiding citizen wise.

The Case for Heaven - Lee Strobel 2021-09-14 Bestselling and award-winning author Lee Strobel interviews experts about the evidence for the afterlife and offers credible answers to the most provocative questions about what happens when we die, near-death experiences, heaven, and hell. We all want to know what awaits us on the other side of death, but is there any reliable evidence that there is life after death? Investigative author Lee
Strobel offers a lively and compelling study into one of the most provocative topics of our day. Through fascinating conversations with respected scholars and experts—a neuroscientist from Cambridge University, a researcher who analyzed a thousand accounts of near-death experiences, and an atheist-turned-Christian-philosopher—Strobel offers compelling reasons for why death is not the end of our existence but a transition to an exciting world to come. Looking at biblical accounts, Strobel unfolds what awaits us after we take our last breath and answers questions like: Is there an afterlife? What is heaven like? How will we spend our time there? And what does it mean to see God face to face? With a balanced approach, Strobel examines the alternative of Hell and the logic of damnation, and gives a careful look at reincarnation, universalism, the exclusivity claims of Christ, and other issues related to the topic of life after death. With vulnerability, Strobel shares the experience of how he nearly died years ago and how the reality of death can shape our lives and faith. Follow Strobel on this journey of discovery of the entirely credible, believable, and exhilarating life to come.

Recession-proof Living—Bill Wiese 2011 A real estate agent describes how he applied biblical principles to his business dealings to achieve success.

The Father’s Three Gifts—Robert Dellenger 2009-10-29 If you want to read a book that has real answers for your hurts instead of more surface-level techniques, The Father’s Three Gifts is the book for you.

PROOF—Daniel Montgomery 2014-05-27 It’s time to open your eyes to the freeing power of authentic grace—grace that releases us from trying to earn God’s favor, grace that enables us to rest in the finished work of Christ, grace that liberates from the tyranny of trying to please others. That’s what the theology of Martin Luther and John Calvin did in their own day for the people around them. Time magazine recently dubbed Calvinism as one of the top ten ideas changing the world right now. And yet most of these discussions center on the issue of predestination or on whether particular people agree with the five points of Calvinism. Daniel Montgomery and Timothy Paul Jones think it’s time to rescue the theology of the Reformers from such stale scholasticizing and to declare anew the dangerous and intoxicating joy of the gospel that they proclaimed. PROOF stands for planned grace, resurrecting grace, outrageous grace, overcoming grace, and forever grace. The authors offer proof of God’s grace upon which people can stand against the attacks of legalism that have led many of God’s people to lose sight of the freedom and joy of the gospel. And this proof is intoxicating—it’s like a 200-proof drink that will leave you spiritually staggering at its effect on your life. God’s grace not only declares us “not guilty!” in his presence, it changes our relationship with God—forever.

Did Jesus Exist?—Bart D. Ehrman 2012-03-20 In Did Jesus Exist? historian and Bible expert Bart Ehrman confronts the question, “Did Jesus exist at all?” Ehrman vigorously defends the historical Jesus, identifies the most historically reliable sources for best understanding Jesus’ mission and message, and offers a compelling portrait of the person at the heart of the Christian tradition. Known as a master explainer with deep knowledge of the field, Bart Ehrman methodically demolishes both the scholarly and popular “mythicist” arguments against the existence of Jesus. Marshaling evidence from within the Bible and the wider historical record of the ancient world, Ehrman tackles the key issues that surround the mythologies associated with Jesus and the early Christian movement. In Did Jesus Exist?: The Historical Argument for Jesus of Nazareth, Ehrman establishes the criterion for any genuine historical investigation and provides a robust defense of the methods required to discover the Jesus of history.

Evidence That Demands a Verdict—Josh McDowell 2017-10-03 The modern apologetics classic that started it all is now completely revised and updated—because the truth of the Bible doesn’t change, but its critics do. With the original Evidence That Demands a Verdict, bestselling author Josh McDowell gave Christian readers the answers they needed to defend their faith against the harshest critics and skeptics. Since that time, Evidence has
remained a trusted resource for believers young and old. Bringing historical documentation and the best modern scholarship to bear on the trustworthiness of the Bible and its teachings, this extensive volume has encouraged and strengthened millions. Now, with his son Sean McDowell, Josh McDowell has updated and expanded this classic resource for a new generation. This is a book that invites readers to bring their doubts and doesn’t shy away from the tough questions. Features Include: • Thoroughly revised and updated from the previous edition • Now co-authored by Josh McDowell and Sean McDowell • All-new chapters defending against the latest attacks from Christianity’s critics • Designed to be a go-to reference for even the toughest questions • Offers thoughtful responses to the Bible’s most difficult and extraordinary passages • Expansive defense of Christianity’s core truths, including the resurrection of Jesus Christ

Undeniable Biblical Proof Jesus Christ Will Return to Planet Earth Exactly 2,000 Years After the Year of His Death - Gabriel Ansley
2010-01-01 Let me ask you a question you probably never pondered: WHY did God create the world in 6 days? Do you think God had NO logic, motive, or purpose behind using that specific number of days? Do you think He just placed a bunch of numbers in a hat and nonchalantly drew one? Or do you think the cosmos required that number of days to be completed, as if God could not have created it in 2, 3, 5, 9, 12, 23 or however many days? Friend, you should know better...God can DO ANYTHING-which brings us back to the original question. The answer to this mystery is contained in the Bible, and its gradual (albeit, secret) uncovering in story after story leads to the stunning title of this book: "Undeniable Biblical Proof Jesus Christ Will Return To Planet Earth Exactly 2,000 Years After The Year Of His Death." But FAR more important than merely discovering that fact, this book will fully elucidate and crush all confusion concerning what a person (soul) MUST DO to obtain eternal life by illuminating the true spiritual meaning behind every detail of the ancient Bible stories. So sit back and hold on, because this book’s message is going to be a life-changing ride!

Life After Death - Deepak Chopra 2006 The best-selling author of The Book of Secrets explores the mysteries of life after death, interweaving scientific research and the wisdom of ancient Vedanta sages to describe what happens to us when we die and to build a case for an afterlife. 200,000 first printing.

Breaking Free - Beth Moore 2000 The author discovers that God intends for his children not to live under the oppression of the enemy but of find the victory that comes not from effort or determination, but from surrendering completely to the Spirit of God.

The Gospel According to Mark - 1999-01-01 The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

Standing Strong - Charles F. Stanley 2017-10-10 This powerful book from Dr. Charles Stanley outlines key areas of conviction that can make or break who we are and how we live. What we choose to believe intrinsically determines whether or not we are able to stand strong in this life. Including our convictions about God and who he is, about the Bible, about prayer, and our own personal life convictions, Standing Strong provides help and instruction on examining and shaping what we believe so that we can live strong, with confidence and hope.

Cold-Case Christianity - J. Warner Wallace 2013-01-01 Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a “cold case”: it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the
courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers’ intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

**Beyond Death** - Gary R. Habermas 2004-01-29

Death - and what lies beyond - is not something you consider every day. But the thought of it raises some intriguing questions: Are there good reasons for believing in life after death? What is the afterlife like? How valid are the reports of near death experiences? Do heaven and hell exist? And if so, how can hell be reconciled with a loving God? By sharing the very latest scientific, philosophical, anthropological, ethical, and theological evidence on life after death, noted Christian scholars Habermas and Moreland present a strong case for immortality with this book. They begin by taking up the question of whether life after death is real and what evidence supports its reality. They then explore what the afterlife is like and go on to show how having this reality in your future should affect the way you live here and now. This book will reassure you that there's no need to fear death - as long as you're prepared for eternity that follows. It's also a great aid in developing a serious biblical, rational, and even scientific defense for the belief in life beyond the grave.

**Case for Christ: A Journalists Personal Investigation of the Evidence for Jesus (Large Print 16pt)** - Lee Strobel 2010-11

There's little question that he actually lived. But miracles? Rising from the dead? Some of the stories you hear about him sound like just that - stories. A reasonable person would never believe them, let alone the claim that he's the only way to God! But a reasonable person would also make sure that he or she understood the facts before jumping to conclusions. That's why Lee Strobel - an award-winning legal journalist with a knack for asking tough questions - decided to investigate Jesus for himself. An atheist, Strobel felt certain his findings would bring Christianity's claims about Jesus tumbling down like a house of cards. He was in for the surprise of his life. Join him as he retraces his journey from skepticism to faith. You'll consult expert testimony as you sift through the truths that history, science, psychiatry, literature, and religion reveal. Like Strobel, you'll be amazed at the evidence - how much there is, how strong it is, and what it says. The facts are in. What will your verdict be in The Case for Christ?

**To Live Is Christ** - Beth Moore 2008-03

Examines the life of Paul the Apostle using Biblical passages and studies of ancient Jewish life in Biblical times and finds lessons of faith, humility, and self-sacrifice which modern Christians can apply to their own lives.

**The Case for the Resurrection of Jesus** - Gary R. Habermas

"A phenomenal resource that is both user-friendly and up-to-date, [and will] equip believers to defend this crucial issue." - Josh McDowell. Includes an interactive CD in a game-show format to test your memory of the key issues and concepts.

**Religion as Art Form** - Carl L. Jech 2013-05-09

If you find books such as Richard Dawkins' The God Delusion compelling but your faith heritage is also important to you, this book shows how you can affirm both. Taking a cue from Marcus Borg's contention that "scriptural literalism" is for many people a major impediment to authentic spirituality, Carl Jech describes how all religion can and should be much more explicit about its symbolic, metaphorical, and artistic nature. With a particular focus on mortality and the relationship of humans to eternity, the book affirms a postmodern understanding of "God" as ultimate eternal Mystery and of spirituality as an artistic, (w)holistic, visionary, and creative process of becoming at home in the universe as it really is with all its joys and sorrows. Religion as Art Form is a must-read for those who think of themselves as spiritual but not religious.

**Proof of Heaven?** - Coleman Luck 2013-04

Neurosurgeon, Dr. Eben Alexander, was brain dead for seven days. During that period he believes that he went through death's door and experienced the incredible beauty of Heaven. While he was there, he was given a message to bring back to the
world. For him, the vision was life-changing. From being a scientist and a secular materialist, his worldview was transformed. Because of what happened to him, he now believes in the miraculous and in a life beyond death. But did he experience reality? Was the message that he was given true? Coleman Luck has spent decades studying illusions and the paranormal, both as a professional writer in Hollywood where illusion is the stock-in-trade, and as a mentalist and member of the Academy of Magical Arts at the world-famous Magic Castle in Hollywood. Also, he is a student of the Bible, educated at the Moody Bible Institute in Chicago. From this unique perspective Coleman examines the profound visions and truth-claims presented in Proof of Heaven. Coleman's other books include Angel Fall and The Mentalist Prophecies - Book One: Dagon's Illusion.

The Fruit of the Spirit - Mike L. Wonch 2013-10-01 “The DIALOG SERIES offers Bible-based, life-related studies for small groups, Sunday School classes, or personal discoveries. Each 7-week study is written by qualified and thought-provoking Christian thinkers to promote community and growth in Christ. Summary Just as an apple tree produces apples, Christians are called to produce fruit from a life lived by God's Spirit. Based on Galatians 5:22-23, The Fruit of the Spirit: Evidence of a Flourishing Christian Life will help you examine each spiritual fruit (love, joy, peace, forbearance, goodness, kindness, gentleness, faithfulness, self-control) and model these virtues in your life. Through this study you will learn how Christian character is not achieved by human effort, but through a life lived by the indwelling power of the Holy Spirit.”

The Christian Miscellany, and Family Visiter - 1849

The Archko Volume - McIntosh 2000-01-20 Historical document or a forgery? "The Archko Volume" contains the testimonies of Jesus' contemporaries, especially his enemies, concerning his arrest, crucifixion, and resurrection. Readers can decide for themselves if they truly contain the recorded testimonies of Caiaphas, Herod, and Pontius Pilate.

He stripped me to the bone - Sharon King 2011-09-19 This book has been in production for 20 long years and is now available especially for you! So let down your guard, set your ego aside, turn face forward and pay attention. Stop being rebellious because this may be your only opportunity to be told the truth. The awesome gift that has been written about in the pages between the front and back cover is completely free. This gift is much more valuable than any dollar you will ever spend or save in your entire life. I hope that you decide to read the message, and open your mind. Your heart will then follow and you will believe it. I pray that you do. This book is not about my life. It’s about yours. I was instructed to tell you that this is all for LOVE. His love for you!

The History of the Church of Christ - Joseph Milner 1795

Married Life: - Reggie Royal 2016-08-31 Married Life: Building a Divorce Proof Marriage is designed to equip you for victory in marriage. Many people enter into marriage with the sincere intention that it will be forever but when challenges come, they are ready to give up. In this book, Reggie Royal thoroughly prepares married, engaged and dating with intent couples to endure the challenges that marriage brings. He gives 10 Keys to Divorce Proof your marriage and then equips you to enjoy every part of the journey. The mission of Married Life is to increase the number of happily married couples, decrease the percentage of divorces in society, and further equip men and women with wisdom to meet each other's needs in a fruitful and successful marriage.

The Christian Observer - 1810

Christian Agnostic - Dustin Lawson 2012-01-24 Could it be true that Jesus requires his followers to admit room for doubt in him? According to this book, yes. Lawson writes in Christian Agnostic, "Greatness, in order to be great, must have a great adversary. Who would Luke Skywalker be without
Darth Vader? Who would Rocky be without Apollo Creed? Who would Winston Churchill be without Hitler? Would we ever have known who David was without Goliath? What would faith be without doubt?” Where maybe no other religious book does, the Bible understands that even though faith and doubt are great adversaries, faith loves doubt because faith loves the fight and knows that it could not be great without uncertainty. More than that, the Bible sees doubt as an ally because it knows that if doubt could be eliminated and true certainty attained, then faith, the resource that fuels the Bible’s followers, could not exist for there can be no faith where there is no doubt. The majority of the church, and the world at large, views faith as a resource that erases doubt and decides truth. This misconception has caused much of the Christian world, for most of its history, to embrace a method of searching for truth that is weak and lazy. This book shows that despite the church's mistaken belief about the nature of faith, the Bible understands how to search for truth with the legitimacy that only comes from having the courage to be honest about the room for doubt present wherever faith is used to believe and then being open to challenging one's own beliefs wherever that room for doubt exists. In recent decades, millions have walked away from the church because they think the Bible lacks credibility. What they do not realize is that the Bible has credibility, but that the Christian world holds back its legitimacy, instead choosing to unintentionally make the Bible appear weak because it refuses to embrace the more honorable method of searching for truth that the book promotes. Christian Agnostic will show the world many of the Bible's strengths that the church has been unknowingly concealing.

**Without Proof Or Evidence** - O. K. Bouwsma 2004-03-01

In *Without Proof or Evidence* O. K. Bouwsma weaves through the central topics of Western religion: the rationality of religious belief, the nature of Christianity, the promise of eternal life, the definition of faith, and proofs of the existence of God. When he works with the problems of Descartes or Moore or Wittgenstein, surveying the marketplace of language in which we all have commerce, he has the familiarity of an experienced trader. But in his work with the problems of Anselm or Nietzsche or Kierkegaard, in which the Scriptures move between background and foreground, there is another dimension, a concern with whether the Scriptures have been properly understood, what such an understanding might be, and how it affects someone who so understands them.

**The Institutes Of The Christian Religion** - John Calvin 2012

This is the extended and annotated edition including * an extensive biographical annotation about the author and his life The Institutes of the Christian Religion (Institutio Christianae religionis) is John Calvin's seminal work on Protestant systematic theology. Highly influential in the Western world and still widely read by theological students today, it was published in Latin in 1536 (at the same time as the English King Henry VIII's Dissolution of the Monasteries) and in his native French in 1541, with the definitive editions appearing in 1559 (Latin) and in 1560 (French). The book was written as an introductory textbook on the Protestant faith for those with some previous knowledge of theology and covered a broad range of theological topics from the doctrines of church and sacraments to justification by faith alone and Christian liberty. It vigorously attacked the teachings of those Calvin considered unorthodox, particularly Roman Catholicism to which Calvin says he had been "strongly devoted" before his conversion to Protestantism. The Institutes is a highly regarded secondary reference for the system of doctrine adopted by the Reformed churches, usually called Calvinism. (from wikipedia.com)

**Moral Apologetics for Contemporary Christians** - Mark Coppenger 2011

Whether it's a best-selling author who claims "religion poisons everything" or an atheist comedian whose punch lines aren't necessarily hassled by the burden of proof, foes of the faith continue to declare Christianity morally deficient without much resistance. In *Moral Apologetics for Contemporary Christians*, Mark Coppenger mixes compelling references-from classic philosophers to modern entertainers-to reasonably push back against both harsh critics and less intense cultural relativists, arguing that Christianity is morally superior to its competitors as well as true. Coppenger doesn't avoid uncomfortable realities like the misbehavior of many Christians and false teachers, but he sets the book's course in defense of his faith with many thoughtful opening statements, including: "It is hard to open a newspaper, walk through a library, or turn on the television without seeing fresh evidence that a Christian approach to life makes people and societies flourish, and that those who turn their backs on genuine Christianity are
liable to behave wickedly." The writing is also informed by the evidence that "believers have grown accustomed to... those who wish to defame the Church." Coppenger adds, "I hope to help replenish (our) cultural confidence. We have a great moral story to tell, and it surely points to the Author of Light and Life."

**The Evidence of Christian Experience**-Lewis French Stearns 1890

**Rationality as Virtue**-Lydia Schumacher 2016-03-03 For much of the modern period, theologians and philosophers of religion have struggled with the problem of proving that it is rational to believe in God. Drawing on the thought of Thomas Aquinas, this book lays the foundation for an innovative effort to overturn the longstanding problem of proving faith's rationality, and to establish instead that rationality requires to be explained by appeals to faith. To this end, Schumacher advances the constructive argument that rationality is not only an epistemological question concerning the soundness of human thoughts, which she defines in terms of 'intellectual virtue'. Ultimately, it is an ethical question whether knowledge is used in ways that promote an individual's own flourishing and that of others. That is to say, rationality in its paradigmatic form is a matter of moral virtue, which should nonetheless entail intellectual virtue. This conclusion sets the stage for Schumacher's argument in a companion book, Theological Philosophy, which explains how Christian faith provides an exceptionally robust rationale for rationality, so construed, and is intrinsically rational in that sense.

**Historical Proof for the Deity Death and Resurrection of Jesus - Atheism Islam Liberal Theology Disproved**-George Joseph K PhD 2020-08-22 This book proves that the Historical Proof for the Deity Death and Resurrection of Jesus is far more than that of any other historical event in the history of mankind.

**God's Designing**-R. Clark 2014-09-04 If You Were Called Before The Highest Court To Give Evidence Of Your Claim To Christianity, What Would Your Answer Be? In God's Designing: Evidences For the Christian Life, R.E. Clark clearly details six indisputable pieces of evidence which you can use to prove yourself a true believer in Jesus and to defend any challenge that comes against you as you live your life as a Christian. Each chapter includes a set of study questions to help you gain further insight into these truths. You will discover: ~ The Plan of Your Christian Life ~ The Proof of Your Christian Life ~ The Purpose of Your Christian Life ~ The Prospering of Your Christian Life ~ The Perseverance of Your Christian Life ~ The Prayers of Your Christian Life God's Designing: Evidence For the Christian Life is book 2 in the author's Understanding Life's Journey series. Book 1, God's Leading: 7 Ways to Know God Is Leading You is available on Amazon.

**Christ Will Come Again**-Stephen H. Travis 2003-07 Belief in the second coming of Christ is indispensable to biblical Christianity. It is also crucial to a positive and relevant Christian worldview in a world that otherwise despair of real hope. "An earthly hope without the prospect of life beyond death is illusory and shortlived," writes the author. "But a real hope of eternal life with God sets us free from anxiety about death, and frees us to work for the transformation of the world." "The courage, clarity and teaching skills of Dr. Travis in this important book are going to help a great many people." -Michael Green "As a guide to a healthy and biblical perspective in thought and life this book would take some beating ... it gloriously lives up to the solid affirmation of its title." --Church of England Newspaper Dr. Stephen H. Travis is Vice-Principal of St. John's College, Nottingham, England. His other books include Getting to Know the New Testament and The Bible in Time.

**The Case for a Creator**-Lee Strobel 2004 'My road to atheism was paved by science . . . But, ironically, so was my later journey to God.' —Lee Strobel During his academic years, Lee Strobel became convinced that God was outmoded, a belief that colored his ensuing career as an award-winning journalist at the Chicago Tribune. Science had made the idea of a Creator irrelevant—or so Strobel thought. But today science is pointing in a different direction. In recent years, a diverse and impressive body of research has increasingly supported the conclusion that the universe was...
intelligently designed. At the same time, Darwinism has faltered in the face of concrete facts and hard reason. Has science discovered God? At the very least, it's giving faith an immense boost as new findings emerge about the incredible complexity of our universe. Join Strobel as he reexamines the theories that once led him away from God. Through his compelling and highly readable account, you'll encounter the mind-stretching discoveries from cosmology, cellular biology, DNA research, astronomy, physics, and human consciousness that present astonishing evidence in The Case for a Creator. Also available in mass market and audio CD editions.

Theological Philosophy-Lydia Schumacher 2016-02-17 For much of the modern period, theologians and philosophers of religion have struggled with the problem of proving that it is rational to believe in God. Drawing on the thought of Thomas Aquinas, Theological Philosophy seeks to overturn the longstanding problem of proving faith's rationality and to establish instead that rationality requires to be explained by appeals to faith. Building on a constructive argument developed in a companion book, Rationality as Virtue, Lydia Schumacher advances the conclusion that belief in the God of Christian faith provides an exceptionally robust rationale for rationality and is as such intrinsically rational. At the same time, Schumacher overcomes a common tendency to separate spiritual from ordinary life, and construes the latter as the locus of proof for the rationality of Christian faith.

Christian Work- 1895
